These documents are drawings for Prelude construction
Ownership of Documents: All documents are instruments of service by the Architect, and shall remain the property of the Architect whether the project for which they are made is executed or not. The Owner shall be permitted to retain copies, including reproducible copies, of the Architect's documents for information and reference in connection with the Owner's use and occupancy of the Project. The documents shall not be used by the Owner or others on other projects, for additions to this Project, or for completion of this Project by others, except by agreement in writing and with appropriate compensation to the Architect, unless otherwise provided in the Agreement between the Owner and Architect. Submission or distribution of documents to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the Architect's reserved rights.
Acceptance of Work: The Owner shall give prompt written notice to the Architect whenever the Owner observes or otherwise becomes aware of any defective condition or other failure of the Work or of the Architect to conform to the Contract Documents. Whenever the Owner considers it necessary or advisable for implementation of the intent of the Contract Documents, the Owner will have the authority to require additional inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Owner nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Owner to the Contractor, Subcontractors, Material and Equipment Suppliers, their agents or employees or other persons or entities performing portions of the Work.
Correcting those drawings and observing the work of the contractor, and that in the owner-authorized deviations from the Contract Documents made in the exercise of the Owner's rights and authority under the Contract Documents.
